Summary

Non-binding voluntary guide for 10 ASEAN member states (Indonesia, Malaysia, Philippines, Singapore, Thailand, Vietnam, Myanmar, Cambodia, Laos, Brunei). Adopts a cross-cutting risk + values framework intentionally distinct from the EU AIA's prescriptive model — emphasises 'pragmatic + flexible' implementation reflecting member-state capacity diversity. Pairs with Singapore AI Verify Foundation's technical toolkit. Currency (2026-06-21): supplemented on 17 Jan 2025 by the non-binding Expanded ASEAN Guide on AI Governance and Ethics (Generative AI), and complemented by the ASEAN Responsible AI Roadmap (2025-2030) adopted 5 Mar 2025; the original 2024 Guide remains in force.
