Generated 2026-11-19T01:05:55 UTC

Summary

Governance approaches grounded in development-rights / digital-self-determination / Global-South-sovereignty arguments rather than EU/US risk-based framings. Loudest in Brazil, India, ASEAN, African Union policy discourse.

Contested question

Is development-rights framing compatible with the EU AIA's rights-based framing, or do they conflict on operational decisions (e.g., who can deploy frontier models in developing economies)?
