Summary

Non-binding. Calls on member states to bridge digital divides and develop national strategies. China + US co-sponsored; passed by consensus. Currency (2026-06-21): the UN AI-governance track has since advanced beyond this non-binding resolution — A/RES/79/325 (26 Aug 2025) established an Independent International Scientific Panel on AI and a Global Dialogue on AI Governance, and on 12 Feb 2026 the GA appointed the Panel's 40 members (vote 117-2) for a 2026-2029 term.
